

**GENUINE MINI HATCH ACCESSORIES.**

# KEEP YOUR OPTIONS OPEN.

The MINI Hatch is designed to be as unique as you are. Ready to make it your own? Check out the endless array of options offered by Genuine MINI Accessories. Whether your personal style favours form or function, you're sure to make an impression in our three unique colour schemes, JCW Red, Vivid Green and Speedwell Blue.

## VIVID GREEN.

There's a reason it's the colour of envy. Expect plenty of admiring glances as these accessories make a bold statement wherever they go.

### Side scuttles.

Whichever way you look at them, side scuttles provide an extra touch of style and personality.

### Textile floor mats.

Protect your new MINI rain, hail or shine with a set of four all-weather floor mats.

### Car cover.

The waterproof, dirt-repellent cover fits your MINI securely and comfortably.

## SPEEDWELL BLUE.

Style your MINI in a way that's resolutely British, yet thoroughly modern.

### Universal protective cover.

Style doesn't need to take a back seat when you've got seat covers in Speedwell Blue.

### Sun blinds.

Shade your passengers with these patterned sunscreens that fit snugly into the rear windscreen and rear side windows.

### Textile floor mats.

High quality textile floor mats essential for making your MINI stand out.

# JOHN COOPER WORKS.

Spice things up with the latest MINI accessories in the fastest colour of all.

## JCW Pro side stripes in Black.

Guaranteed to get hearts racing, pulses quickening and heads turning.

## JCW Pro All-weather floor mats.

Textile floor mats are available individually or as a set of two for the front and rear.

## JCW Pro mirror caps in Carbon Fibre.

A legendary MINI component available in trackside-inspired carbon.

# GENUINE MINI ACCESSORIES.

## Touring bicycle holder.

Sometimes two wheels are better than four. This lockable bicycle holder is made of high-strength aluminium and can carry all sorts of bikes when affixed to MINI roof racks.

## Universal snap-in adapter.

Keep your phone charged, connected and in range. Pairing with the external aerial makes transmission and reception flawless.

## Travel & Comfort system, Apple iPad holder.

Perfect for longer trips, this Apple iPad holder is adjustable and can be locked in place easily.

## Illuminated door sill finishers.

Step out in style with these eye-catching Union Jack door sills. The backlit MINI emblem bathes the door area in subdued light.

## Door pin.

Replace the standard door-lock pin with this one and lock up your MINI in style.

## MINI roof design.

Let your MINI stand out from above. The stylish MINI roof designs gives your MINI an individual character whilst highlighting its bold and unique appearance. Available in Union Jack, Black Jack, Gold Jack and Checkered designs.
